

Building A Better Future For All

Dear Parents and Carers,

My name is Sonia Sliney and I am the Special Events Co-ordinator at Clowns. I am also currently team leader in Strawberry Room and also a part of the senior management team.

I have been at Clowns for the past twelve years and during these years we have had a variety of fun events in a bid to raise money for some wonderful charities that are very dear to our hearts. Clowns has raised well in excess of £100,000. We have an ambitious termly timetable of events which will run over the course of the academic year. These activities and events encompass all members of staff and children.

In previous years we have had a variety of fancy dress days, non-uniform days, and cake sales and also had a wide selection of sponsored events such as a sponsored walk, dance-a-thon, and kick-a-thon, and a very funny music and movement obstacle course relating to a book called 'Walking through the jungle'. We had an incredible summer fair last year with funfair games, activities and pop up stalls. Most recently we have supported the Christian led Day Of Community Good Will by collecting nappies that will be given to refugees.

At the beginning of this year we built a set of toilets in Burma for children from reception upwards. This was the first time they had flushing facilities. Currently we are in the process of setting up a sister school that we can work alongside raising money for vital supplies they may need. More information about this will follow.

If you have any charities that are dear to your heart, please bring in some information, as we love to hear about new charities.

The key to our lasting success in supporting charities will be through active engagement from teachers, children and parents. You will receive a regular newflash explaining our upcoming events. All notices and events will also be posted on the Clowns website. If you would like to participate or volunteer at any of our events, please don't hesitate to contact me on sonia@clownsnursery.co.uk

Clowns Nursery is dedicated to making a real difference to those children who are most "in need, vulnerable, disadvantaged and neglected". Thank you all for your continued help and support with our events. We look forward to a fun packed year of helping others in and around our local community.

Yours faithfully,
Sonia Sliney
Special Events Coordinator
