<p>Introduction:</p> <ul style="list-style-type: none"> • Read (if you have the story) or watch Jack and the Beanstalk https://www.youtube.com/watch?v=W5rxflRgXRE (video link) • Ask the children the following questions: <ul style="list-style-type: none"> - <i>Who are the main characters?</i> - <i>Where is the story set? Is it a happy/sad ending?</i> - <i>Who is your favourite character? Which part of the story is your favourite?</i> - <i>How do you think Jack was feeling when...?(name different events in the story)</i> - <i>What happens at the beginning/middle/end of the story?</i> <p>Main Activity:</p> <ul style="list-style-type: none"> • Encourage your child to cut the story cards out independently. Support him/her as needed by modelling and readjusting their scissor grip). • Once your child has cut the story cards out, place them on a table. • Challenge your child to order the story cards from beginning to the end, relating to the story. • If resources are available, encourage your child to stick the story cards onto the story template in the correct order. • Once the story cards have been sequenced and stuck onto the template, invite your child to then retell the story in his/her own words. <p>Challenge:</p> <ul style="list-style-type: none"> • Imagine you climbed to the top of a beanstalk and stepped into a world above the clouds. Draw a picture of the world you imagine. Can you label what you have drawn? 	
<p>Additional ways to support your child:</p> <p>If sequencing the story is challenging, give your child fewer story cards to sequence. Work together to retell the story – modelling lots of story language.</p>	<p>Extension:</p> <p>Add key words to your story map e.g. Jack, cow, egg, harp etc. (If there is not space on the paper, cut out pieces of paper and create key vocabulary cards instead)</p>
