

Friday 1st May

Dear Elm Class,

Good morning everybody, Hope you are all safe and well ☺

Today we are going to learn all about vegetables! Did you know that vegetables are an important part of our diet and we need to try to always eat them to stay fit and healthy! Can you name any vegetables? Think about all the delicious vegetables that Zeby our Chef prepares for us at lunch times.

Our story of the day is Oliver's Vegetables. It's a fantastic story which I hope you will enjoy!

Other activities today include

- Making vegetable soup
- I spy activity sheet
- The life cycle of a bean

What vegetables will you try today? I am going to make delicious pumpkin soup! What vegetables do you like best?

As always, please continue to send in pictures of all your amazing hard work!

Happy learning,

Miss Dixon
