

Dear Elm Class,

Hope you are well and keeping safe.

Are you ready to learn because I have lots of exciting activities for you to explore today!

Our story of the day is Farmer Duck and he is going to teach us all about how important it is to help others 😊.

Who helps you when you need it? What do you help your mummy/daddy with? What can you do on your own?

There are plenty of activities on offer for you such as washing the mucky farm animals which I know will keep you busy aswell as making your own character to help Farmer Duck finish all his chores!

We will also be exploring the letter/sound of the week which is 'k'. Who shares that sound in the classroom? Can you remember?

Wishing you a fun and challenging day!

Miss Dixon
