

Dear Elm Class,

I hope you are all safe and well.

I am looking forward to seeing you explore the next topic of the day -The Very Hungry Caterpillar!
I know how much you all like listening to the story and learning about what foods the caterpillar ate
so you will have great fun.

Our mindful moment link for today sounds like a butterfly's meadow!

Also, pay attention to what foods are healthy and unhealthy for you and The Very Hungry Caterpillar.

It would also be great to see more examples of some of the fantastic work you have done including the

Daily Construction Challenges by sending them to info@clownsnursery.co.uk

Have a great day and happy learning!

Miss Dixon
