

Good Morning Elm Class

Did you have a nice weekend? Are you ready to learn? Fantastic!!

On Friday we explored the story *The Very Hungry Caterpillar*, one of our favourite stories. Did you enjoy learning about healthy eating? What foods do you know that are healthy or unhealthy. Can you talk about lifecycles? What happens after the caterpillar pops out of the egg.

Today we have a range of fantastic activities on the timetable based around *People Who Help Us* including:

- Exploring flashcards of people who may help us and matching them to the equipment that they use.
- Using your imagination to play the role of a firefighter with water, which sounds very exciting!

Our letter of the week this week is 'L'. I can think of two friends who have that sound in the classroom. Can you guess who they are?

Wishing you a fun a productive day,

Miss Dixon
