

Dear Elm Class,

I do hope this message finds you and your families well.

Today, there is a variety of exciting Spring activities for you to do!

I know you all enjoyed the growing activities we did in classroom when we explored Jack and the Beanstalk and I think it would be great to revisit some of these activities in different ways to refresh our memories😊.

Please make sure you take lots of pictures and send them in so it can be added to the Online Gallery!

Happy learning!

Kind regards,

Miss Dixon
