Good Morning Limetree Yellow!

Today you're going to be reading a familiar story: *The Very Hungry Caterpillar* by Eric Carle. What can you remember about the story? I wonder if you can recall the amazing ending. If you have the fruit in your kitchen, you will be making a smoothie using some of the fruits from the story – I hope it tastes delicious!

Today you will be learning more about the life cycle of a butterfly- it is an amazing transformation they make! You will also be learning about symmetry – that's quite a big word, but I know some of you understand what it means already. I see lots of you making amazing symmetrical houses, castles or cars in the construction area and you love making symmetrical patterns with the pegging boards and coloured pegs.

There is a special song for you to learn today. We love singing in Limetree Yellow – I miss your beautiful singing voices. Make sure you sing extra loudly!

Love from,

Miss Cassidy
