Good Morning Limetree Yellow!

How are you? I hope you are well and are ready to begin an exciting day of learning. Recently you have been learning all about minibeasts. I wonder which minibeast is your favourite? Have spotted any minibeasts in your garden or on a walk?

Today we are changing topics and taking a dive underwater, starting with the story 'The Snail and the Whale' by Julia Donaldson.

Today you will get busy in the kitchen, making salt-dough snails! I would love to see a photo of your creation! You'll also be following instructions from Miss McDade on how to make a whale out of paper! And you'll be thinking back to a time you went on an exciting adventure - just like the snail in the story.

I hope you have lots of fun today!

Love from,

Miss Cassidy
