Good Morning Limetree Yellow!

I hope you had lots of fun with all the *Commotion in the Ocean* activities yesterday - did you manage to make bubbles? Today you are going to continue to think about life under the sea. I wonder if you can guess today's story - let me give you some clues.

- The story is set 'A long way out in the deep blue sea...'
- The main character's appearance changes throughout the story.
- One of the characters is a wise octopus.
- The story has a very happy ending.

Can you guess which story we're reading? That's right, it's *The Rainbow Fish!*

Today you're going to make your own Rainbow fish, using an old CD. You're also going to practise your addition skills - we used to do lots of addition in Limetree Yellow, so I hope you have lots of fun and remember how to add two amounts by counting all of the objects together.

Have a fantastic day.

Love from,

Miss Cassidy
