

Good morning Peach! Is everybody doing okay? It is Monday today, the first day of the week. Do you think you could sing our favourite song *There Are Seven Days* for your family?

Today, we will be doing lots of activities about polar animals. Do you remember when we played with the ice in the classroom? You all loved it and maybe you could make some ice and have fun with it at home as well! Don't forget to share your photos with us."
