

Good morning Peach!

Date: 22nd April 2020

Is everybody doing okay? Do you know the name of an animal that goes 'quack, quack'? That is right! A duck.

Today, we are going to read a story about Farmer Duck and I hope you are ready to get muddy because after the story, we will be cleaning mucky farm animals in our washing station.

Then we will be playing with soft animals and using musical instruments to make different sounds for the animals. What sound shall we make for a mouse? Should it be loud or quiet? Why?

We will also be pulling out straws and compare which one is short or long.

Enjoy today's activities and let me know about what you would like to learn next time!

Eva
