

Monday 27th April 2020

Good Morning Rosewood,

Welcome to another week of learning from home! I hope you've had a lovely weekend and are ready for today's activities. Today we will be looking at the story 'Superworm'! An unlikely hero, Superworm, saves the day in all kinds of ways. He is beloved by his garden friends who then get a chance to come to Superworm's rescue when he is kidnapped by an evil lizard. A story of friendship and helping each other with a message that anyone can be a superhero.

The activities we have set for you today are...

- Hot Seat a Superhero (parents will be interviewing their child to join the superhero club)
- In math's you will be making paper chain Superworm's before ordering them by length.
- We will also be asking you to create your own rhyming words and phrases.

Have a great day!

Love from,

Miss McDade
