

Thursday 30th April 2020

Good Morning Rosewood,

Today we're going to look at one of our favourite stories 'The Rainbow fish'.
Can you remember what this story is about? Let me remind you!

The Rainbow Fish is a story about a spectacular fish with amazing colourful scales. Soon, all the other fish who are not colourful come and ask if they can have a scale from the Rainbow fish but, he says no. All the fish leave, causing the Rainbow Fish to be lonely. The Rainbow fish goes on a journey to discover why the other fish don't like him and realises he must share if he wants to have friends.

Today's Rainbow fish activities include...

- A discussion about the story
- Under the sea addition
- Making a rainbow fish, using an old CD

Have a lovely day!

Love from

Miss McDade
