

Dear Willow Class,

Good Morning! It's time to...Explore, Learn and Have FUN! 😊

Are you ready for another story, plus interesting and challenging activities?

Today, we will talk about the days of the week, season spring, and butterfly lifecycle. We will be using the story 'The Hungry Caterpillar' to help us learn and remember.

Activities like 'caterpillar' kebabs, paper chain caterpillars and threading caterpillars will take place to keep you busy and engaged. You can also try some more activities/ideas, such as:

-Movement game: Butterfly moves – play music and let your child pretend to be a butterfly flying around the room. Encourage your child to gently wave arms up and down as he/she pretend to float and flutter through the air.

-Learn a Rhyme:

Caterpillar,
Creep.
Caterpillar,
Crawl.
Caterpillar,
Climb
All along the wall.

By Beverly Qualheim

Have a marvellous day!

Mr.Andonov
