Dear Willow Class,

Good Morning! It's time to Explore, Learn and Have FUN! 😊

Today we will continue with the topic we started on Monday - People Who Help Us.

The topic of people who help us is so essential in making children feel more comfortable in the big wide world. From firefighters to nurses, police officers to their very own teacher, we've selected a range of imaginative activities to spark discussion about helpful people in everyday life.

This topic encourages children to notice places and people in their community and, show them that they are part of a wider community.

Few more activities/ideas for your parents:

- Talk about who helps us everyday
- Talk about friendship
- Mobile phone and walkie-talkie play
- Letter writing/post office play
- Learn your own address
- Being helpful – doing the cleaning
- Make a family tree
- Dressing up in uniform and taking on a role
- Making thank you gifts or cards for people who help us
- Role play areas – doctor's/dentist's/opticians/vets/post office etc.

Please keep on encouraging your children to look after their belongings like: tidying up toys, hanging up their coats, putting their boots away etc... This will teach them to take care for, respect and maintain their own belongings and the school's equipment.

Thank you!

Have a gorgeous day!

Mr. Andonov
