

Hello Limetree Green,

We hope that you enjoyed the learning activities we set for yesterday. Can you think of a way you can be a little more like Betty the Believer today? Remember, Betty keeps on trying even during a challenge. She thinks critically and explores different ways of doing something. Perhaps you can try to put on your jacket by yourself and zip it up. What other things can you challenge yourself to do?

Today we will be celebrating Easter. This is a special time for Christians as they celebrate new life in Jesus Christ. Easter is a great time to celebrate new life. Can think of new life you have seen during Spring? Remember the flowers we saw budding in Golder's Hill Park?

We hope you have lots of fun today exploring on your Easter egg hunt, experimenting and problem solving as you create your chocolate Easter nests, creating an Easter card!

We look forward to receiving feedback, pictures and videos of your learning!

Happy Easter!

From,

The Limetree Green Team (Miss John, Miss Loftman, Chirine, Nancy & Elsa) 😊
