

Maria's Nature Collage Challenge

Ask your child to get different items from your garden such as leaves, twigs or any flower petals that have fallen.

Give them some glue and paper ask them to create a nature collage.

They can also use colouring pens or pencils to draw things to add to their masterpiece.

Don't forget to take a photo and email it to info@clownsnursery.co.uk if you are happy for us to add it to the Clowns website.
