

Good Morning Limetree Yellow!

08.04.20

I hope you are all ready for another exciting day of learning. You will be reading a story we haven't read at Nursery before - so I'm hoping it will be a new story for you. It's always exciting to read new stories. This story is about a Panda. Hopefully you will learn lots of new information about Panda's today. I wonder what you know already.

Today you will also be playing a board game. Talking about board games has reminded me of when we played a board game based on the story 'We're Going on a Bear Hunt'. We played it on World Book Day. That was a fantastic day - you all dressed up as your favourite book characters, do you remember?

You're also going to be thinking about recipes today. I wonder if any of you have done any baking recently. We have done lots of baking in Limetree Yellow; from baking Valentine's Day biscuits to our very own pizzas. Some of you are excellent cooks because of all the Cookery Club sessions you have attended! I do miss hearing about what you've made. Perhaps you can let me know or send in a photograph of any baking/cooking you've done at home.

Have a great day Limetree Yellow!

Love from,

Miss Cassidy, Ta'Shara, Amisha, Nicole, Shirley & Gerald
