

Hello Limetree Yellow!

09.04.20

Today the activities we have planned for you are all about the special festivals which happen at this time of year. I wonder if you can name the festivals. I remember even before you started learning from home, lots of you were talking about how excited you were for eating chocolate eggs at Easter time! I wonder if there will be any special treats in store for you this weekend.

I hope you have lots of fun today making Easter nests for your family - that will be a real treat for them. I wonder who you will make a card for today and what your card will look like. Please send a photograph to us - we can't wait to see them.

We hope you have a relaxing week at home and we can't wait for you to join us again after the holiday. We will be preparing lots of exciting videos and lesson plans for you. Meanwhile you will find a list of '100 things you can do indoors' on the portal today. That's a lot of things to do! I wonder how many you will achieve throughout the week.

Have a wonderful holiday Limetree Yellow.

Love from,

Miss Cassidy, Ta'Shara, Amisha, Nicole, Shirley & Gerald
