

Activity Lesson Plan

Peach Class

Date: Thursday 09 April 2020	
Activity Title: An Astronaut's Glove Box – There's No Place Like Space	
Learning Intention: To talk about some of the things they have observed such as plants, animals, natural and found objects.	Activity Overview: To touch, feel and talk about different objects you have encountered.
Links to EYFS: Understanding the world: The World: 30-50 months.	Key vocabulary: Astronauts, challenge, descriptions, thick, heavy, wrinkled, small, big, hard, soft, smooth.
Resources: <ul style="list-style-type: none"> Box Gloves Clear film Different types of material for them to investigate, play and describe, such as salt, sand, stones, leaves, branches ... 	
ACTIVITY IMPLEMENTATION (including key question)	
<p>Introduction:</p> <ul style="list-style-type: none"> First, cut off the top of the box. Next, make two holes for the hands. In the holes, place/stick gloves. Then, fill the box with material such as salt, sand, stones, things you have at home. Finally, cover the box with plastic wrap and you are ready for the activity. 	
	
<p>Main Activity:</p> <ul style="list-style-type: none"> Allow your child to discover (touch and feel) different types of materials placed in the box. Focus on thinking and talking skills. Allow your child time to think and talk, focus on modelling descriptive vocabulary. 	
<p>Additional ways to support your child:</p> <ul style="list-style-type: none"> Ask your child questions so they can describe what they feel. 	<p>Extension:</p> <ul style="list-style-type: none"> Gather objects from the garden and discuss and categorise them (consider different concepts big/little, smooth/rough round/not round etc.).
