Hello Elm Class,

Hope you are well and as always ready to learn!

Did you enjoy learning about the Boy who cried Wolf?

Today we are exploring families. Some families are big and some families are small. Do you know who is in your family? Who do you live with? In my family I have my Daddy, Mummy, one big brother and three sisters. I also have a big son in my family and soon my family will be even bigger (8 weeks) when I have my new baby😊.

Activities for you to explore today will be:

- Storytime: The Great Big Book of Families
- Building a house out of blocks
- Drawing a family portrait

As always, please send in pictures of your wonderful work so it can be added to our online gallery.

Have a wonderful day,

Miss you all,

Miss Dixon
