Hi Elm Class,

Missing you all very dearly!

Have you been enjoying your Home Learning? I hear you have all been very busy which is so nice because I know how much you all like to get involved and learn new things😊.

Did you enjoy our topic yesterday? Can you remember what you were learning about?

Our story of the day today is 'Meet the Parents' by Peter Bently. It's a rhyming story so please listen well and try to answer some questions related to the story when you have finished.

Other activities today are:

- A movement game
- Designing a house using shapes
- Helping an adult with chores

As always, please send in photographs of all your hard work to [info@clownsnursery.co.uk](mailto:info@clownsnursery.co.uk) so it can added to the online gallery.

Take care,

Miss Dixon
