

Monday 18th May 2020

Dear Elm,

Good morning! Have you had a nice weekend? What did you do? I planted some flowers in my garden and I cannot wait to see them grow😊.

Hopefully you are ready to learn. Today our topic is The Animal Boogie (Barefoot books). This story is familiar to all of us and I know it's an Elm favourite so please listen well.

After the story there are some activities relating to the jungle that I would like you to try. These are

- Making rain sticks
- Observational painting
- Jungle obstacle course

We also have a new language of the week which is Dutch. Can you say hello in Dutch? Maybe you could research some key words with an adult.

In addition to this our new number of the week is number 16 and our new letter is Ff.

Don't forget to also take part in activities with Giles, Abi and Coach Micky and Alex. Their online videos are fun and challenging which I know you will enjoy.

Happy learning,

Miss you all,

Miss Dixon
