

Monday 11<sup>th</sup> May 2020

Good Morning Limetree Green

Did you have an exciting Bank Holiday weekend?

This week we will continue with our theme 'People Who Help us'.

Today we are exploring the role of a Dentist.

Do you know what a Dentist does?

Have you ever been to visit a Dentist?

The activities today will include:

Making a poster to share information on how we can look after our teeth.

A fun creative and numeracy activity.

The awe and wonder of science engages you in an experiment to investigate tooth decay using eggs and liquids.

Please don't forget to check out our rising 4's YouTube channel for more activities, stories and songs. (Details are on the Parents portal)

Have a fantastic day children.

Take good care.

Love from Miss Loftman
