Good Morning Limetree Green

I hope you enjoyed the Jolly Postman activities.

Did you make someone happy with a phone call?

Today we go on an adventure with a bear, a girl and some magic shoes.

Another wonderful story from Julia Donaldson.

I wonder which one of her stories is your favourite.

One of mine is Night Monkey Day Monkey.

Let's get busy with the activities.

You will be matching shoes. Designing your own pair of shoes. And matching shoes to different climates.

A climate is a different type of weather condition.

For instance: in what kind of weather would you wear flip-flops?

Have a fab day children.

Please don't forget to check out our rising 4's YouTube channel for fun challenges, activities, stories and songs. (Find the link on the daily timetable)

Take good care.

Love from Miss Loftman.
