

Thursday 21<sup>st</sup> May

Good morning Limetree Green.

Did you enjoy your 'Rumble in the Jungle'?

Today we meet Percy The Park Keeper in the Story 'After The Storm' by Nick Butterworth.

Percy and his animal friends work together and share ideas to find new homes after the storm has destroyed the park.

Do they remind you of anyone?.

I'll give you a clue . She is one of our class puppets.

Have some thinking time.....

You've guessed right. It's Tilly the Team Player!

'Tilly finds working together with her friends helps her achieve her goals.'

You can also be like Tilly and work together with your family to tidy up, help set the table at meal times or work together creatively with one of your siblings (or parents).

In our activities, you can help Percy build a new home for some of his friends.

Make your own musical piece based on sounds you'd hear in a storm and practice subtraction with Hungry Rabbit.

Please remember to share your pictures.

It would be lovely to see you enjoying your journey of learning.

Take good care.

Love from

Miss Loftman
