Good Morning Limetree Yellow!

I hope you're well and ready for an action packed day of learning. Over the last few days you've been sailing the seven seas and meeting pirates! Today we're going to begin thinking about a new topic - People who Help Us.

This is a very special topic to learn about, especially as at the moment there are lots of people working very hard to help us and our country. I wonder if any of you have been clapping on a Thursday to say thank you to our doctors and nurses. If this is past your bedtime, perhaps ask your mummy or daddy to explain what happens or take a video to show you.

Today you'll be reading 'Zog and the Flying Doctors' by Julia Donaldson. You'll be imagining you are one of the characters and making a thank you card. You'll also be thinking about how to look after your body and stay healthy, as well as getting creative and making a dragon.

Have lots of fun Limetree Yellow!

Love from,

Miss Cassidy
