Good Morning Limetree Yellow!

Did you have a lovely bank holiday weekend? What did you get up to? I hope you had lots of fun!

We are going to return to our theme: People who Help Us. And today we're going to think about dentists! Do you know what a dentist is? Have you ever visited a dentist? What is their job and how do they help us?

Today we have lots of exciting learning opportunities planned for you.

- You will be receiving a letter from a 'dentist' and she has a special challenge for you!
- You will be getting create to make a model mouth and playing a counting game.
- You will be carrying out an exciting science experiment to help us learn more about how important it is to look after our teeth.

Don't forget to check out our Rising 4's Youtube channel (link in the daily timetable, where we have stories, songs, rhymes and challenges.

Have a great day!

Love from,

Miss Cassidy
