Good Morning Limetree Yellow!

Happy Friday! What a wonderful week we have had! Have you enjoyed the sunshine? I know I have certainly enjoyed walking in the sunshine.

Today you're going to read our last story by Rachel Bright and Jim Field. I wonder, can you name the stories you've read by this author and illustrator so far? Today you're going to read *The Squirrels who Squabbled*. Read the blurb below.

*Greedy squirrels Cyril and Bruce both have their sights on a very special prize: THE VERY LAST NUT OF THE SEASON! As the nut bounces crazily through the forest, the squirrels race after it, between the trees, over boulders, down the river and - ARGH! - right to the edge of a waterfall! Working together might be the only way to save themselves now...*

Can you predict what Cyril and Bruce will do? Can you think of one of our growth mindset puppets who always encourages us to work together? That's right Tilly the Team Player. We often work together in Limetree Yellow - I love the way you work together to tidy the construction area and then lift the construction box back onto the shelf. Can you think of another way we work together in Limetree Yellow?

Have fun doing the lovely activities we have planned for you today and have a wonderful bank holiday weekend!

Love from,

Miss Cassidy
