

Good morning Peach!

Date: 4th May 2020

How are you doing? Welcome back after the weekend. I hope you enjoyed last week's activities and you are ready for the new and exciting things that we have ready for you this week.

We will start this Monday with listening to a story *Walking Through the Jungle*. Can you name some animals that live in the jungle? Which one is your favourite?

Then, we will play a game *I Spy With My Little Eye*. We will give you clues and describe items that you will need to identify. We will also hide some things from a tray and you will guess the missing objects.

After that, you will look very closely at an object and have a go at painting or drawing it in as much detail as possible. It sounds like we are going to do lots of observing and guessing today, doesn't it?

We will also continue with our letter, number and language of the week. This week's language is Slovakian and it is very special to me because it is my home language! Watch the video and learn how to say hello in Slovakian.

Have a fantastic day, enjoy playing and learning and as always, send in your photos and videos for us to see your amazing work.

Love,

From Eva
