

Good morning Peach!

Date: 6th May 2020

I hope you are all well! Do you believe in magic and magical creatures? Great! Me too. My favourite magical creature is a dragon. What about yours?

Today, we will read a beautiful story about The Singing Mermaid who joined a circus but missed the ocean too much and decided to escape back to her home. How do you think she did it? I can tell you that the Mermaid was very persistent in learning a new skill that helped her to do it.

After the story, we will play with foam just like the Mermaid did in the sea. I wonder how we are going to make the foam. Have you got any ideas?

We will also talk about different sizes such as small, medium and big and arrange the Mermaid and her friends from the biggest to the smallest.

Then, I would like you to have a go at creating your own musical instrument and use it while singing.

Also, there is a big challenge for you today. Watch the video on our channel and find out what it is. I cannot wait to hear from you how it went.

Love,
From Eva
