

# Good morning Peach!

Date: 12<sup>th</sup> May 2020

How are you all doing? I am very excited about today's activities because we are going to talk a lot about our families. And we all love our Mummy, Daddy, sisters, brothers, Grandpas, Grandmas and all other family members, don't we?

First, we will read a book called *The Great Big Book of Families* where you can find many different families. Families who are big or small, those who are loud or quiet and families who like to spend time outside and those who prefer to stay at home and play board games. I wonder what kind of family you have. Can you think of what makes your family special and amazing?

After the story, we will build a house out of blocks and read numbers to know how many people live inside. I cannot wait to see photos of your wonderful houses and families.

We will also draw a picture of our families and create a beautiful frame for it so we can display it for everybody to see.

Make sure to watch my 'today's challenge'. One of my family members was very happy to help me with it because I told him it is for you, my little Peaches.

Have fun learning, playing and creating!

Love,  
From Eva
