

Good morning Peach!

15th May 2020

How is everybody doing? I hope everyone is having a good time and is ready for some playing and learning.

Today, we will continue to talk about our families and read a funny story *Meet the Parents*. Can you tell me something special about your parents? What do they like doing? What is their favourite colour?

All our parents are amazing and they do so many things for us. That is why today, we will become Mummy and Daddy's little helpers and we will help them around the house. Sounds exciting, right? So, will you help with making your bed, setting the table for dinner or something else? Let me know how it went.

We will also play a moving game 'I Love You This Much', write messages for our loved ones and do house printing with wooden blocks. I tried it as well and it was lots of fun! You can also have a go at sorting real objects according to their shape.

Have a fantastic day playing, learning, creating and snuggling with Mummy and Daddy!

Love,
From Eva

Update on my beans:

I have moved them into a bigger pot so they have more space to grow.
