

# Good morning Peach!

Date: 19<sup>th</sup> May 2020

How are you all doing? I hope you are ready for some fun and exciting learning and playing.

Today, we are going to do a variety of traditional games and activities inspired by a book *The Parcel* by Pie Corbett. First, we will play a guessing game in which you will need to predict what is inside a parcel by shaking it or by looking at the shape of the parcel which might give you a clue what is inside.

After that, we will play *Musical Corners* and practise initial sounds of words. We will also do a fun science experiment with bubbles and have a picnic. What is your favourite snack to bring for a picnic? I love nuts mixed with raisins. Yum!

Remember to also visit Abi, Giles and coach Mickey's video channels where you can find lots of exciting activities that they prepare for you every day.

Enjoy learning, playing and creating!

Love,  
From Eva
