

# Good morning Peach!

Date: 20<sup>th</sup> May 2020

How is everybody doing? Are you ready for some exciting learning and playing? Was it a 'yes'? Great!

Today, it is all about *you*. First, we will read a story *I Like Me* where a little piggy girl says why she is amazing. What about you? What makes you special and fantastic?

After the story, you will draw a self-portrait which is a picture of you drawn by you. Before you start drawing your face, have a good look into a mirror and notice the colour of your eyes, your hair and other details. After the self-portrait, you will create a poster about you and your favourite things such as your age, your favourite colour or what you like doing.

Then, we will talk about emotions and think how different things make us feel. I wonder what makes you happy, sad or angry. As for myself, it will make me very happy to see you back at Clowns! After, you will use playdough to create different emotions. It sounds like fun, doesn't it?

You will also practise writing your name in colourful rice because it is an important skill to know. I have added more ideas on how you can keep practising so make sure to try some of them that you like.

Remember to follow the links in the lesson plans to find more stories, challenges and activities.

Have a fabulous day full of learning, playing and creating!

Love,  
From Eva
