

Good morning Peach!

Date: 21st May 2020

How are you today? Did you enjoy yesterday's activities? I cannot wait to see your self-portraits and posters about you.

Today, we will read a book *The Rainbow Fish* which tells a story about friendship, selfishness and sharing. The Rainbow Fish is the most beautiful fish in the ocean covered in scales full of colours and sparkling silver. But is it enough to make him happy? Read the story and find out.

After the story, we will make a rainbow fish collage using a variety of different materials and then, we will use our hands to create a rainbow. After that, we will use an old CD to make our own Rainbow Fish. It is going to be a very rainbow-y day today, right?

Remember to practise the letter and number of the week and to visit our video channel with more activities for you.

Have fun learning, exploring and creating!

Love,
From Eva
