Good Morning Rosewood,

Today we will be looking at the different types of footwear we have, and when and where we use them. Do you wear flip-flops to splash in muddy puddles? Do you wear snow-boots to the beach? These are some of the questions we will talk about during today's activities.

To help us identify the shoes we wear in certain climates/weather I thought we could read the story 'The Girl, The Bear and The Magic Shoes'.

Below are a list of the activities we have planned for you today...

- Design and create your own magical shoes.
- Collect shoes around your house and put them in sequenced patterns.
- Match footwear to the correct climate/weather.

Have a Wonderful day!

Love from
