Good Morning Rosewood,

I hope you had a lovely weekend and are ready for the start of another week of home learning. Today we are going to look at a story about a wolf cub who does not want help from anyone! But when he finds himself lost and alone one cold night, he discovers that sometimes we all need the helping hand of a friend.

*Can you think of a time when you needed a friend to help you?*

*Can you think of a time when you helped one of your friends?*

Below is a list of the activities we have planned for you today...

- True or False? - After listening to the story, you will need to decide if a variety of statements are 'true' or 'false'.
- Describe the wolf! - Use descriptive language to give the 'Big Bad Wolf' a new title.
- Colour by number - Use a numbered colour code to colour-in a wolf.

Have a brilliant day!

Love from

Miss McDade
