Good Morning Rosewood,

Today we are going to be reading the story 'The Squirrels who squabbled'. This story is all about two greedy squirrels called Cyril and Bruce who both have their sights on a very special prize: THE VERY LAST NUT OF THE SEASON! As the nut bounces crazily through the forest, the squirrel's race after it, between the trees, over boulders, down the river and - ARGH! - right to the edge of a waterfall!

Oh dear, I wonder what happens next. What do you think Cyril and Bruce could/should do? They both want the nut but there is only one! How would you help them?

The activities we have planned for today are listed below...

- Roll, count and colour: Roll a die to reveal a number, count the number and match it to the acorns on the activity sheet before colouring the acorn in.
- Squirrel art: Collect materials from outside - leaves, twigs or flowers to design and create your own squirrel.
- Squirrel sequencing: Use your fine motor skills to cut out pictures to complete the premade sequences. Make sure to look closely at the pictures.

Have a brilliant weekend!

Love from
