

Monday 4<sup>th</sup> May

Dear Willow Class,

Good Morning! It's time to...Explore, Learn and Have FUN! 😊

Have you ever played 'I spy'? Was it fun? Are you really good at it? I spy is a guessing game where one player (the *spy* or *it*) chooses an object within sight and announces to the other players that "I spy with my little eye, something beginning with..." naming the first letter of the object. Other players attempt to guess this object.

This week we will do lots of activities, and you will have numerous chances to play this notorious game and show your skills.

We will start with walking through the jungle...pay attention at everything you see. Then you have to look around you in your environment and remember all the things, because you might be asked to describe them later.

Furthermore, we will play game such as 'What's missing', 'I spy' activity worksheet and finally draw or paint anything you like in as much detail as possible.

We will also learn how to say hello in Slovakian, carry on with our numbers (number 14 in focus), and practise letter sounds – new letter of the week Uu.

Please remember to send in pictures of all your incredible work! Thanks in advance.

Have a wonderful day!
