

Friday 15 May 2020

Dear Willow Class,

Good Morning! It's time to... explore, learn and have FUN 😊😊

Today we will continue learning about families and things we can do at home to help such as completing big and small tasks (help with laundry, make breakfast...). To be a little helper is a big fun but also a huge responsibility!

We will use the characters of the story 'Guess How Much I Love You' to teach us an interesting movement game and help us create cards for our loved ones.

Furthermore, in our arts and craft activity, the children can use wooden blocks of different shapes for printing in order to make their own house.

Remember to visit our Youtube channel where you can find lots of stories, plus interesting videos in all areas of learning.

Today we have for you a special environmental sounds challenge, and a listening game regarding mindfulness (see the daily timetable for more details).

I wish you a great day full of fun, love, health and happiness!

Mr. Andonov
