

Thursday 21 May

Dear Willow Class,

Good Morning! It's time to... explore, learn and have FUN 😊😊

Today is all about friendship, sharing, taking turns and learning something new!

The story to help us learn and enjoy all above mentioned is 'The Rainbow Fish' by Marcus Pfister. The story is about a fish with shiny, multi-coloured scales named the Rainbow Fish. He has blue, green, and purple scales, and among them, he has shiny silver scales he is always fond of. One day a small fish asks him if he could have one. The Rainbow Fish refuses in a very rude manner. But then everything changes...

We will also do activities around rainbows such as rainbow fish flag collage: making rainbow fish flag using different types of materials and a rainbow-hand masterpiece, by using our hands to make colourful rainbows.

Enjoy our Rising 3's challenges, initiatives and mindful moment.

I wish you a great day full of fun, love, health and happiness!

Mr. Andonov
