

Friday 22 May

Dear Willow Class,

Good Morning! It's time to... explore, learn and have FUN 😊😊

Today we will focus on persistence (an example of persistence is when you try and try to learn a new skill, never giving up), and we'll ask one of our favourite character to help us understand it better. Incy Wincy Spider is our hero of the day. Do you remember his song? Did he try and try and try again? What happened to poor Incy?

Well, Persistence is a good quality. Because that quality makes people to achieve their long term goals. Without that quality, people wouldn't become successful that easily. Persistence quality drives you with hope!

Also, we have a new story in focus, about another persistent spider who wants to be a family pet. Imagine that! Well, join us with these incredible spiders and their adventures, and let's have some fun!

Remember to visit our Youtube channel where you can find lots of stories, plus interesting videos in all areas of learning.

I wish you a great day full of fun, love, health and happiness!

Mr. Andonov
