

Individual Activity Lesson Plan

Date: 29.05.20	
Activity Title: Number puzzle (people who help us)	
Learning Intention: Recites some number names in sequence	Activity Overview: Cut up and reconstruct in number order a picture of: "people who help us"
Links to EYFS: Mathematics – Numbers 22-36 months	
Resources: paper, ruler, colouring pencils/pens/paints, pictures from old books/magazines, scissors, number line (make your own)	Key vocabulary: 1,2,3,4,5. Copy, repeat after me, what comes after, how many have you got.
ACTIVITY IMPLEMENTATION (including key question)	
<p>Introduction:</p> <ul style="list-style-type: none"> • Cut up and reconstruct a picture/drawing/painting of "people who help us" leaving a boarder at the side to add a number in. This could be 1,2,3 or 1,2,3,4,5 <p>Main Activity:</p> <ul style="list-style-type: none"> • On a piece of A4 or similar size paper help your child draw a line/margin down the edge of the paper (left hand side) • Fold this under (this will be your number line) • Either get your child to draw/paint a person (their interpretation of a person) on the paper • If you have a picture of a person cut it out for them and help them stick it on to the paper • Try to fill the whole page with the drawing/picture • Unfold the paper to show the border • Once dry. Cut the picture/drawing horizontally into 3 or 5 equal strips (you will need to do this for them) • Write a number in the margin at the side of each cut out piece e.g. head 1, body 2, etc • Mix up your number puzzle • Now reconstruct the picture using the numbers/picture to help complete the number puzzle <p>Activity review:</p> <ul style="list-style-type: none"> • Could your child recite the numbers in order (with your help) • Which "person that helps us" did your child choose to draw/paint • Did they manage to reconstruct the puzzle person? • Please send a photo of your completed number puzzle person to, info@clownsnursery.co.uk 	
<p>Additional ways to support your child: Recite the numbers together ask your child what comes after 1, 2 etc</p>	<p>Extension: Use a number line to help with number recognition This could be a done outside as a "hopscotch" game</p>
