

# Individual Activity Lesson Plan

**Date:** Monday 18<sup>th</sup> May 2020

**Activity Title:** Colouring Wolves by Number

**Learning Intention:** To be able to identify numerals and follow directions.

**Links to EYFS:** Mathematics:

- To recognise numerals 1-10.

**Resources:**

- Coloured pencils
- Activity Sheet – Colour by Number 1 & 2 (printed)
- If you don't have a printer available, follow the link and choose one of the online colour by numbers activities:  
<http://coloritbynumbers.com/online>

**Activity Overview:** Colour a wolf, using a numbered colour code.

**Key vocabulary:** colour, code, number, identify, find, look.

## ACTIVITY IMPLEMENTATION (including key questions)

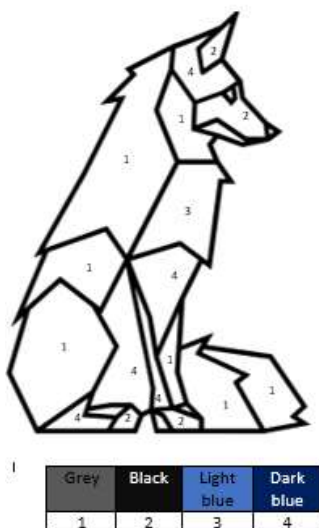

### Introduction:

- Explain to your child that today they will be using a numbered colour code to colour in a wolf.

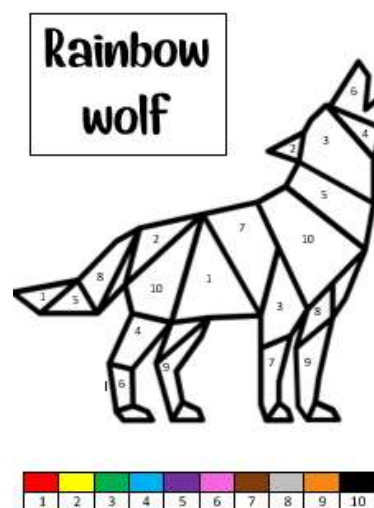

### Main Activity:

- Use the colour by number activity sheets (examples 1&2 below) and encourage your child to use the colours linked to each number to colour in the wolf.
- Once they have correctly coloured in the wolf, ask your child to turn his/her sheet over and write numbers 0-5 or 0-10 or 10+ depending on what is appropriate.

#### Activity 1

#### Activity 2

### Additional ways to support your child:

Demonstrate the activity by completing one of the questions and asking your child to continue.

### Extension:

Encourage your child to create their own colour by number picture.
