

Individual Activity Lesson Plan

Date: Tuesday 12 th May 2020	
Activity Title: Phone a Friend or Relative.	
Learning Intention: Shows an interest in real technological objects.	Activity Overview: call friend or relative to explore communication through technology.
Links to EYFS: to use technology for a particular purpose. (Understanding of the world).	
Equipment: -telephone -phone number.	Key vocabulary: Communicate, talk, dial, press, numbers, friend, relative How are you?
ACTIVITY IMPLEMENTATION (including key questions)	
Introduction: Good morning Children As you know the Jolly Postman delivered letters to familiar Fairy-tale characters. Let's put our thinking heads on. Can you remember any of characters? Can you remember what was written in any of the letters? How else can we communicate with people? What if they don't live in our house? Is there anyone you can think of?	
Main Activity: Based on what your child has said. Ask them if there is anyone they would like to ring? Why have you chosen this person? Do you know how to use a telephone? What do they need to make the call? Can you identify the numbers on the dial? First model how to make a phone call. Next together with child call the person they have chosen.	
Activity review: Did you enjoy making your phone call? How did you feel? Was the person you called surprised/happy to hear from you?	
Additional ways to support your child: Support your child with identifying the numbers required to a phone the number.	Extension: Do you know your telephone number? Would you like to learn it? Can you challenge yourself to remember the numbers in it?
