

Individual Activity Lesson Plan

Date: Monday 18th May 2020

Activity Title: True or False

Learning Intention: To listen carefully to a story before deciding whether some statements are TRUE or FALSE.

Links to EYFS: Communication & Language/Literacy:

- Listens carefully to books.
- Links statements to stories.

Resources:

- Story link for *The Way Home for Wolf*:
https://www.youtube.com/channel/UCn9Kx_D9nnBpQO2txlssq-A?view_as=subscriber

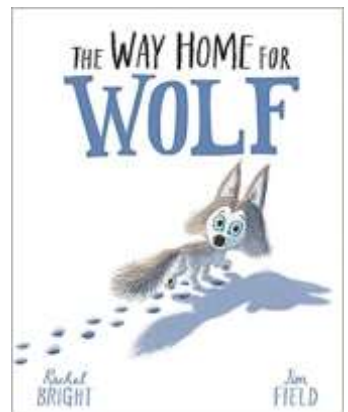

Activity Overview: Listen to today's story and identify true and false statements.

Key vocabulary: true, false, real, made up, happen, story, fake.

ACTIVITY IMPLEMENTATION (including key questions)

Introduction:

- Explain to your child that they will need to listen very carefully to today's story: *The Way Home for Wolf*. This is because once they have listened to the story, they are going to be asked whether the statements below are TRUE (happened in the story) or FALSE (have been made up).

Main activity:

- Read the 5 statements below and ask your child to think about whether they came from the story or are made up.

1. Wilf liked to try everything ALL ON HIS OWN. (T)
2. A lion moved into the wolf cave, so the wolves had to find somewhere new to live. (F)
3. A blanket of stars was his bed for the night. (T)
4. Wilf went to the beach for a lovely swim. (F)
5. Wilf made lots of friends on his journey. (T)

- Now, ask your child to make up their own statement about the story. Once they have thought of it they can share with you and get you to answer whether it is True or False. (They may need to listen to a section of the story again).
- If the above is too challenging, create the statements for your child and continue to invite him/her to guess whether they are TRUE or FALSE.

Additional ways to support your child:

Give your child examples of what a True or False statement could sound like e.g.

'Daddy's hair is purple' (F)

'Daddy's hair is brown' (T)

Extension:

Think of other well-known stories and work together to come up with TRUE and FALSE statements, before asking another family members to join in and answer.
