

# Individual Activity Lesson Plan

**Date:** Thursday 30<sup>th</sup> July 2020

**Activity Title:** Colour by number - parrot

**Learning Intention:** To be able to identify numerals and use the colour code to colour-in the parrot.

**Activity Overview:** Colour the parrot using a numbered colour code.

**Links to EYFS:**

- Recognise numerals.

**Resources:**

- Coloured pencils
- Activity print out

**Key vocabulary:** colour, code, number, identify, find, look.

## ACTIVITY IMPLEMENTATION (including key question)

**Introduction:**

- Explain to your child that today we will be using a numbered colour code to colour in a parrot.

**Main Activity:**

- Use the colour by number activity sheet (example below) and encourage your child to use the colours linked to each number to colour in the parrot.
- Once they have correctly coloured in their parrot ask your child to turn their sheet over and write some numbers 0-5 or 0-10 or 10+ depending on their ability.

Colour by number

**Additional ways to support your child:**

Demonstrate the activity by colouring in one of the numbers the correct colour now ask your child to continue.

**Extension:**

Encourage your child to create their own colour by number picture.
