

Hello Children!

Are you ready for an adventure?

You may think that I am just an ordinary carpet. But I have a surprise for you.

I am actually a magic carpet and I would like to take you on an adventure.

First of all you need to learn the magic spell that makes me work.

*"We are ready for an adventure.*

*Magic Carpet can you please*

*Take us all for a ride*

*To somewhere interesting where we've never been."*

Have fun children and remember to hold on tight!

Love from Magic Carpet Enterprises.
